"It is such a good version for young kids to start reading. Thank-you for the Bibles"

New Ministry Launched!

"Providing the LifeLight of God's Word to this Generation" is the goal of LifeLight. Sharing Scriptures at no charge with a spiritually needy world, is a dream come true! Many Christians would like to be sharing their faith, but find it difficult. An attractive booklet, an easy to read Scripture, is a joy to share with people you know. LifeLight is dedicated to make Scriptures available to pastors, youth workers, inner city workers, and Christians everywhere, who are committed to share the Word with those who promise to read it. For those who find it more difficult to offer Scriptures face to face, they invite those Christians to share in this ministry by contributing financially. Opportunities to distribute abound. Those needs can only be met as the Lord provides funds through His people.

LifeLight Ministries sprang out of IBS's Lightbearers program. It is now an independent federally registered charity. They continue to support the ministries and products of International Bible Society. All donations sent to LifeLight, of \$20 or more, will receive a tax deductible receipt. Your contributions are always welcome.

LifeLight members are Christian men and women who have experienced God's love and forgiveness. They are an organized group of committed believers taking the gospel to the world, starting in their own back yard. LifeLighters are united in sharing God's Word in the living languages of each nationality at home and abroad. We place Scriptures and Scripture portions in schools, hotels, motels, prisons, universities, hospitals, libraries, and other places where the public will pick up and read God's Word.

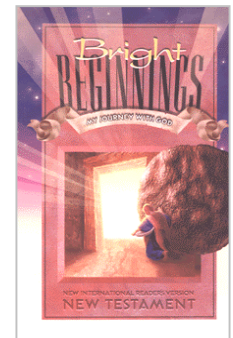

LifeLight seeks to make church members aware of opportunities for Scripture distribution, and encourages interested individuals to support the ministry prayerfully, financially, and personally.

Your gift of \$5 will allow one family to read God's Word in their own language from

a book they will treasure for years to come. For \$1 you can share the gospel with someone using a beautiful 32 page booklet. All Scriptures and portions are prayerfully distributed for free as the Lord provides funds through His people. Thank you for giving this ministry your consideration. May God richly bless you!

For the word of the LORD is right and true; he is faithful in all he does. Psalm 33:4 (NIV) All God's words are right and true - they can be trusted. The Bible is reliable because, unlike people, God does not lie, forget, change his words or leave his promises unfulfilled. We can trust the Bible because it contains the words of a holy, trustworthy, and unchangeable God. *from the LIFE APPLICATION BIBLE NIV*

God's Words in a book – The Bible. Do they still change lives? Of course! A young lady recently wrote us a note that reads in part: "It's helped me a lot when I read those Scriptures. They are a lot of fun to me so I decided to be a christian they help me know how to pray please can you send me another prayer thats all the pray I know that says Jesus I believe that you died for my sins and rose again so I can have new life I want to turn my life from sin I want to serve and follow him I give my life to him. Help to know and love Him with all my heart. Enroll me in your free Bible Correspondence Course." JLMH God's Narrows MB

3rd Year in A Row – School Doors Open

Some 86 children in the Evergreen School Division eagerly received the colourful easy to read Bright Beginnings New Testaments offered to them this last January. Milton Menzies, missionary, of Fairford, picked up 420 BBNT's for distribution in the northern schools. He needs another 480 copies to complete the job. Is God urging you to help?

Distribution Opportunities

Hundred of BBNT's have been distributed in the Winnipeg and area schools by Child Evangelism. They need more. So does Inner City Youth Alive, Living Bible Explorers, and Allan Friesen's ministry to parents. The hunger for God's Word is all around. Opportunities for distribution abound. The Winnipeg Pregnancy Distress service received 100

"Hope" New Testaments to share with their clients. Scriptures have phone numbers for spiritual counseling and include a letter/envelope form for the recipient's response and invitation to enroll in a Bible correspondence course.

How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, "Your God reigns!" *Isaiah 52:7 (NIV)* God says that the feet of those who bring good news are "beautiful." It is a wonderful privilege to share God's Good News with others, his news of redemption, salvation and peace. *from the LIFE APPLICATION BIBLE NIV*

Fire in Winnipeg - The Arson Capital

Fire claimed the Elim Place building used by Living Bible Explorers at 299 Young Street Sunday. LBE ministers in the inner city to children and young people. 100's of children are impacted each year by the presentation of the Gospel.

LifeLight Ministries provides FREE scriptures to LBE and others as the Lord provides funds through His people. Most of

their present inventory was lost in the fire. LBE would like to include the colorful Bright Beginnings New Testaments with their Christmas packages to the under privileged. Can you help?

Each page of this booklet contains a brief Scripture reading on Creation and the environment, a prayer and a dramatic two-color illustration.

“Heaven and Earth is a resource Christians in environmental organizations can

share with non-Christian friends,” says Glenn Paauw, IBS-U.S. Product Development Director, who wrote the booklet’s introduction and selected the Scriptures. “We believe it will prove to be a significant evangelism piece that draws readers to God, to His Word and to His people.”

ReachOut 99 Reaches Thousands During Pan Am Games

LifeLight was privileged to participate in the efforts of the Winnipeg Churches in reaching out to their neighbors and visitors to the games. A beautiful 32 page full color booklet was designed with the help of International Bible Society, and 65,000 copies were distributed during the games.

Campus Crusade provided Spanish Jesus videos. One Winnipeg volunteer saw the video and took her own copy home. She called CC recently and asked if she could trade it for an English version.

The New Version International (NVI) Spanish New Testaments were made available for distribution and several 100 copies were distributed to Spanish speaking visitors.

Kidz Villages were organized for the volunteers of the games. 360 children were enrolled and many unchurched parents expressed their appreciation and some are now attending church on a regular basis.

.. I am very positively impressed with (your) vision and work. I appreciate the thoughtfulness that evidently goes into the preparation of Scriptures for various target groups. I was impressed with IBS vision for ministry during the Pan-American Games. I hope that my nephew and niece will join you. I think it is a better organization for a young couple to join at this point. I want to encourage you in your ministry. EHD

thanks to the rest of the team. We wish you blessings and peace. - Juergen M. Severloh Executive Director

From Crisis Pregnancy Centre - How wonderful and kind you were to gift us a whole load of ‘Hope Bibles’! Everyone here loves this specific Bible and we do appreciate your loving support to our ministry and the people we serve. Our prayer for our clients is that the words of our Lord Jesus will be living words for them and their unborn children. Please send along our

This Bible has led me closer to God and helped me understand the bible (easier to read). Now I Pray, Read the Bible everyday and I have a better relationship with God - AL

It’s nearly 1 ½ years since you sent me 8 Bibles at my request. I didn’t use them last summer as I didn’t go to camp. This past week though, I did take them to camp with me, they were given to campers who had no Bible. My campers were so excited. It is such a good

version for young kids to start reading. Thank-you for the Bibles. - KR

I have shared this New Testament and given it as gifts to some New Believers in Christ. It is a very easy to read NT but I am also interested in a New International Readers Version Bible. If you have a

Bible in this translation please send me 4 copies. I talked to people who would be very interested in owning such a Bible. Where an ordinary Bible is very hard to understand for new Believers I've gotten very positive feedback with this NT. I look forward to hearing from you. - MD

Chapter Meetings – did you miss this inspiring 1st hand reporting?

Terri – a missionary with the Winnipeg Crisis Pregnancy Centre shared the burdens of the ministry she is involved in. Many of her clients are illiterate and don't have the basic reading skills required to read a book. She conducts parenting classes as well as daily Bible studies that are called something less threatening. She is excited about the LL supplied Hope New Testaments. They have been giving those to all who promise to read them. This NT is particularly helpful for women with unwanted pregnancies. The 1st four words are "I think I'm Pregnant" and then she helps go on to explain how in God's eyes we all have sinned but God loves us anyway. A client with blue hair and piercing all over said she would now take her child to Sunday School.

Marlene Wiebe from Child Evangelism Fellowship shared with us about the Discovery Time public school kids Bible Clubs. The kids who come to these clubs have been receiving the Bright Beginnings New Testaments (BBNT). CEF needs 100's each year and appreciate the help they have received from LL. They need another 100 BBNTs.

Jack Klassen from Gospel for Asia shared how there are 1000's of people coming to know the Lord each day in India as a result of hearing the Gospel through native India missionaries. 20 – 30 missionaries are martyred for the sake of the Gospel each year. Pray for their families and the 10,000 missionaries now working with GFA.

Kent Dueck of Inner City Youth Alive (congratulations on the birth of their 3rd child). ICYA runs a camp at Gem Lake and The Bridge drop in centre in Winnipeg. They use the Alpha Bible Study program to

teach the kids about God. They appreciate the many Scriptures supplied by LL. They use the BBNT and give them out liberally but make sure the recipients read them. They are so easy to read. Like a story book with coloured pictures. It is excellent. All the kids have the same book. That makes it real easy. Kent picked up 80 more BBNTs. ICYA needs another 20 more plus 24 Jesus Way New Testaments (JWNT), and 12 NlrV Bibles.

George Hill – Living Bible Explorers shared about the work they do in Winnipeg. They provide 25 children's clubs each week, conduct services for the kids each week, attracting them with RAP artists etc. They take 100 kids to camp each summer. 50% of the kids are natives. Bibles are always in short supply. They had a Bible Fund several years ago but did not receive the kind of funding they had hoped for. They get tattered used Bibles, mostly unusable KJVs. They need 150 BBNTs, 50 JWNTs, and 50 Word from Heaven NT's. They need NlrV Bibles as well. "Helping the people physically is what we have to do. The restaurant owner down the street says 'I can't let them in the front door. They will scare away my customers. I give them food at the back door. You are the only ones who really care about them.' We don't want the Bible ministry to be secondary, but with all the urgent needs in the core area, that is what sometimes happens. We don't have time to raise money for Scriptures. We sure appreciate any help you can provide."

Stan Schroeder – Funding Alternatives does fund raising for charities. That can be frustrating work sometimes. Many people could easily give \$2,000 or more and not notice the difference. His organization's goal is raise the profile of Christian Charities. If the 50,000 people at the March for Jesus and the members of their churches gave an extra \$10 each, Christian Charities would be able to accomplish so much more.

Earl Boulanger of Anishinabee Ministries could not attend because of the

death of a baby. He was anxiously waiting for 20 BBNTs. Marlene agreed to take them to him.

Al Friesen picked up another 50 BBNTs. His ministry of Parenting Seminars attracts many non-Christian parents, many of who are delighted to receive their own copy of BBNT.

Dan Friesen of Kleefeld received 50 BBNTs for use in their camping ministry this summer.

James Thiessen of Hodgson is asking for 25 JWNTs.

More Than Gold booklet designed and printed for distribution during the PanAm Games is a ministry opportunity. Copies were handed out and participants urged to acquire 100's at \$0.50 each, or to help provide funding for distribution

"Do we need to have Christianity outlawed? Then the church would flourish like crazy. We need prayer but we try to run in our own strength so much of the time." – Jack Klassen
